

PRESS KIT

3 R I N G R O D E O is the most versatile 3-piece band you'll ever hear. Entertainers in every sense of the word, their setlist includes a well-balanced mix of Country, Rock, Classic Country and the occasional "surprise" that comes out of left field and is guaranteed to amaze.

From the Dallas/Ft. Worth area, **3 RING RODEO** has been in existence since 2003. They have been return performers to venues big and small, having opened for such acts as Willie Nelson, Joe Nichols, Mark Chestnut, Big & Rich, Marshall Tucker and Stoney Larue.

Even though they are a 3-piece band, you'd never know it if you only heard them. You truly do have to see it to believe it.

With a unique chemistry, these guys have as much fun on stage as the audience. They know how to entertain and read a crowd and they will not disappoint!

D O N N Y T O M L I N S O N - P E R C U S S I O N / V O C A L S

Donny caught the music bug at an early age and set about acquiring lots of musical instruments. "But," he says, "I still have not figured out how to play any of them! "

Evidently he did a really good job of faking it, having played drums with acts such as Sonny Burgess, Kevin Sharpe, Gary U.S. Bonds, Heath Wright (Ricochet), Ricky Lynn Gregg, Bret Michaels (Poison) and Joe Nichols.

A founding member of 3 Ring Rodeo, Donny believes it's always about the music! His motto is, "Doesn't matter how many people are in the crowd or how big the venue is! Smile and give it your all! "

KYLE MATHIS - GUITAR / VOCALS

Kyle has been playing music since he was knee-high to a duck. Starting in a family band at the age of 6, and moving through several regional and nationally-signed acts, one thing has remained constant, Kyle Mathis loves to play.

With a resume that includes stints with Sons of the Desert, Deryl Dodd, TC Taylor, Jude Tabernacle COGIC Praise Band, Dallas variety band Zuzu Peddals, the Faith Bible Church Praise Ensemble, Kyle does his best to fit in with any style of music.

Musically educated at the renowned Commercial Music program at Waco, TX's McLennan Community College, Kyle learned what it would take to be a successful real-world musician. Studying under professors Clark Nauert and Kenny Frazier, and drawing on a now 40-year career in music, there's not much that Kyle hasn't heard or played.

JIM BOB BAILEY - BASS GUITAR / VOCALS

Bailey comes to 3 Ring Rodeo after a career playing mostly in rock bands. He started out playing guitar at the tender age of 15 and moved to the bass after three years. He has played with bands such as Battery, Whiplash, Injustice, Bare Country (which featured Bailey clad only in a Speedo).

After a 12-year hiatus in which Bailey produced a couple of offspring, he is back with a vengeance. Bailey now holds down the bottom end for 3 Ring, as well as singing an equal share of songs with the rest of the band. Simply put, Bailey is the "Monarch of the Lowlands".
